This code applies to all livestock entered and/or offered in any event at fairs and exhibitions. Owners, exhibitors, trainers and all responsible persons who violate the code of ethics will forfeit premiums, awards and entry fees and may be prohibited from future fairs and exhibitions in accordance with the rules adopted by the respective fairs and exhibitions in Nova Scotia. Exhibitors who violate this code of ethics negatively impact on the integrity of all livestock exhibitors and may be prohibited from entry and/or offered competition at all livestock shows in Nova Scotia.

1. Any liquid or substance not considered part of an accepted and normal diet for livestock is deemed illegal and inhumane. (For example; the use of alcoholic, carbonated or caffeine beverages or chocolate flavoured nutritional supplements).
2. Any time after an animal arrives on the fair or exhibition site or premises, a licensed veterinarian upon notification to the manager of the fair or exhibition shall administer all treatments involving the use of drugs and/or medication for the sole purpose of protecting the health of the animal.
3. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

5. The act of entering an animal is the giving of consent by the owner, or exhibitor to have the fair or exhibition take disciplinary action for violation of this code of ethics, and any other rules of the fair or exhibition, without recourse against the fair or exhibition.
6. **The Exhibitions Association of Nova Scotia, in working with the livestock associations that use the fairs and exhibitions facilities, will conduct random drug testing as a credible deterrent to the use of performance enhancing drugs. A policy has been developed to deal with such matters.**
